

Sale Name: LIONEL POSTWAR O GAUGE TRAINS AND ACCESSORIES

LOT 30 - Box of 100 sections of Lionel postwar Super O track in original dealer box with power blades

Description

Box of 100 sections of Lionel postwar Super O track in original dealer box with 99 power blade connectors, there are 5 different styles of track, meaning that the majority are with blackened solid bottoms (82), the second most are with untreated gray plates on the bottoms (8), untreated gray with gap (7), treated black with small gap (5) and (2) black treated with wide gap. The vast majority of the track is in great shape with no rust. We found less than 5 with rust on the track. The box is in very good condition and comes with all flaps intact.

Quantity: 1
