**LOT 228 - Mint unused Lionel postwar 3356 operating horse car and corral set in original picture box**

## Description

Mint unused Lionel postwar 3356 operating horse car and corral set in original box. The car is unrun and C9-10, the corral is unused and C9-10, the 3356-79 parts envelope is still factory sealed and stapled shut, the desirable white 3356-100 figures for horse car box does not appear to have ever been opened, the original box is slightly faded with wear to the corners on the ends but all of the flaps are intact and the original insert is crisp and square, the 3356-112 10/66 original instruction sheet is very nice and the warranty card is unused.
