Sale Name: Vintage Guitars Amplifiers Stereo Equipment and LP's LOT 37 - Aria Japan hollow body bass guitar with hard case

Description

Aria Japan hollow body bass guitar with hard case. This guitar is in very good condition with some scratches on the back from a belt and a few other nicks on the front but looks very nice overall and plays well also. electronics have been tested and they seemed to work properly. Model number 5520, serial number 959539. The hard case is pretty flimsy and doesn't offer a whole lot of protection.
