

Sale Name: DOLLS, BEARS AND CHILDRENS TOYS

LOT 2 - PLEASE READ BEFORE BIDDING OR PAYMENT

Description

We will send invoices after the end of the auction on Saturday evening. Once you pay your invoice, your items will be packed and a separate invoice will be sent through a completely separate system called Shipping Saint. The invoice is sent via email AND text message from an area code 812 number even though our number is 765-409-4679. We are not always available to accept credit card payments for the items invoice over the phone. If you would like to avoid the 3.5% convenience fee, you can pay via check or money order for the cash total due shown on the invoice at the bottom right, make your check out to Toystrainsandotheroldstuff LLC or just TTOOS, and mail it to 1951 W Division Rd, Fowler, IN 47944, preferably with a printed invoice accompanying the payment.
